Report of Principal and School Improvement Council

As we complete our third year in our state-of-the-art facility, our faculty members, parents and students leave with the feeling of success. Being a Title I School, our faculty, staff, and administrators' focus is to provide a positive and nurturing environment to assist in building a strong foundation for future citizens.

In order to help the students with both academic and social needs, the faculty uses a variety of strategies to promote growth and development. To enhance the fine arts program, students participated in the eighth annual drama production as well as an art show. We also have a partnership with the Spartanburg County Arts Foundation to help provide numerous cultural activities for the students through the MUSE Machine Grant. The school has a partnership with the Boys and Girls Club of Spartanburg to operate an afterschool program for students. Children are involved in the research-based 100 Book Challenge Program. The Dolly Parton Imagination Library is a program that targets preschool children. Our reading accomplishments with these programs have helped better prepare our students. Reading is Fundamental continues to provide the students with quality children's books. Over the past six years, the students and teachers have worked with instructional coaches to broaden our use of effective techniques in the classrooms and increase student achievement.

The school staff, PTO, and volunteers worked together to promote parental involvement. Six PTO programs, enhanced by student performances, were conducted throughout the year. Participation in the three family nights, designed to help parents understand how to academically assist their children, exceeded school attendance projections. The increase in parent participation is one contributing factor that has enhanced student performance.

The teachers and staff continue to participate in training to improve their teaching skills and strategies. Our teachers eagerly participate in formative assessment professional development. The teachers recognize the importance of professional growth in helping them improve student performance.

As determined by our Title I surveys, parents are excited about the various aspects of the school's educational programs. Chesnee Elementary continues to serve the community as a Palmetto Silver Award recipient, a Red Carpet School and as being recognized by the EOC once again for Closing the Gap with our Title I students and meeting Annual Yearly Progress (AYP).
